Join class JOIN

Ask your teacher for the class code, then enter it here.

Class code *← Enter Code Here*

Level 9 Code: ipyafx	Level 8 Code w5eyqi
Level 10 Code 9rcud4	Compulsory Class ztdtqjq

Google Classroom 5 of 5

Detailed description: The image is a screenshot of the Google Classroom mobile app interface. At the top, there is a dark header with a hamburger menu icon, the word "Classes", and a "Join class" button with a plus sign. Below the header is a red banner with a white "Join class" button. The main content area has a white background with the text "The 'Classes' page: Press Join Class". A green arrow points from the "Join class" button in the header to the "Join class" button in the red banner. Below this, there is a section titled "Join class" with a close button (X) and a "JOIN" button. Underneath, it says "Ask your teacher for the class code, then enter it here." followed by a "Class code" input field. A pink arrow points from the handwritten text "Enter Code Here" to the input field. Below the input field, there are two columns of class codes. The first column contains "Level 9 Code: ipyafx" and "Level 10 Code: 9rcud4". The second column contains "Level 8 Code: w5eyqi" and "Compulsory Class: ztdtqjq". The bottom of the screen shows "Google Classroom" and "5 of 5".

**For Android**

- 
- Download the Classroom app from Google Play
  - On your device, Tap Google Play Store
  - Find and install the Google Classroom App

**Good Luck with your  
testing**
