OfficerStatus Updates:

There have been cancellations, sick judges, not enough judges, too many judges and availability changes. Thank you to everyone for working together to make things as smooth as possible and for being accommodating and understanding when so many changes happen We are working together for the good of the group and sometimes it is challenging.

We really want to go all out in sharing about the NJC. Texas Challenge, and the Jingle Bell clinic next year. These events are fun and beneficial for all that can be involved. We discussed several ideas on how to promote the events and to have more involvement from the judges

Xcel Xtravaganza: February 11-13, 2022 @ Zero Gravity Waco

Volunteer Opportunities:

There are MULTIPLE opportunities to volunteer in Texas and within the region this year. There are so many ways to earn CPE credit and to help out in a meet or clinic situation.

6/7 Vault Training:

There are many tools and videos available for training and learning how to judge the level 6/7 vault. ALL optional rated judges need to spend some time practicing before getting into a meet situation.

Testing in 2022:

Those who will be testing up through level 10 will not be able to test until AFTER National Congress. Those who will be taking their National exam, you will be required to take the online written exam before attending the required clinics. There will be options to attend special training sessions and clinics for anyone who does not achieve a passing score on each event.
