REGION 3

2023 Regional Meet Availability - due 9/10/22

You **MUST** be available for the entire meet and travel days before and after meet dates. When you sign a contract to judge a regional meet, you are making a commitment; pulling off a meet after could affect future 2024 assignments. For regional meets on the same weekend, please put available for both if you'd like to be considered for either meet.

Thank you for your P.I.E.; we will include that information with your availability that I will send to each state's SACC.

DP COP 7/15/22 Revisions

A very helpful TIP for seeing all of the July 15, 2022 Revisions - easy way to update your online DP COP:

Open Google Play - Click on your Books - Click on the DP Code you have in your library - when the book opens, there is a small magnifying glass in the black bar above the book. Click on it and type in the word

"Revised" where it says "Search in this book." Click enter and wait a few minutes - the "Revised" pages will appear.

"Search" the Google Play DP Code of Points using the word "Revised" and all the changes become available to see.

The search will list the SECTION, TITLE, PAGE #, REVISED (date).

The USA Gymnastics video tutorial for updating is:

NAWGJ Education Clinics

Test Prep Series, Brush Up Series, and a Bonus Surprise

NAWGJ is offering two series of online clinics: (1) Test Prep and (2) Brush Up for the Season. Both series use Level 10 rules. In addition, we added a Bonus Round on beam and floor that should be exciting for judges with any rating, Level 4/5 through Brevet.

Test Prep Series: Round 1 ended last

Test Prep Series

week. Round 2 and 3 will start on August 22. This series has three identical rounds. Therefore, CPE and PIP credit may be earned only one time per event (the same material is used in all three rounds).

Brush Up Series: The Brush Up for the Season clinics will start on September 6. This series also has three identical rounds. Therefore, CPE and PIP credit may be earned only one time per event (the same material is used in all three rounds).

Bonus Round: On September 22, a clinic will be held on deductions that are common to both beam and floor: e.g., artistry, body position, footwork. This session is eligible for PIP credit for either Beam or Floor. Join us to learn more about those "Other" deductions!

PIP Credit: Group 3 National and Brevet judges may earn PIP credit AFTER they have completed testing. Participation prior to testing will not count toward PIP. A session completed prior to testing may not be taken again for PIP. The clinic schedule has been designed to help judges fulfill their PIP in a timely and easily accessible manner.

Registration: The clinics are offered at no cost to NAWGJ members as part of your membership fee but you need to register for each clinic you want to attend. Please click on the name of the clinic(s) below and you will be taken to the registration page. Please keep your confirmation email(s). The confirmation will be from Zoom in case you need to search your email for it on the day of the clinic.
