

TXNAWGJ Practice Judging Hours Tracking Form

Practice Judging Documentation

Practice judging is an essential component of judge development and is required before a judge may receive meet assignments. Judges must complete the following:

- Three (3) practice judging hours, which may include approved online presentations or Happy Hours.
- One (1) “in person” meet session.

Practice judging must be conducted at a level equal to or higher than the judge’s current rating and must be verified by a supervising judge. Prior approval from a TXNAWGJ State Committee Member is required ***BEFORE*** completing any practice judging hours or sessions.
